* There is a restart after count 8 on wall 5

This just means that you do the first 8 counts twice - and then continue the dance

I wrote this very basic linedance for my new beginners to enjoy.

The Mavericks are distinctive, nobody else sounds like them — and never will.

Many people come into line dancing with no knowledge of country music at all and it is my great pleasure to see them gain knowledge and music appreciation as they become more experienced dancers. If this is the first time YOU have heard

The Mavericks, I hope you have enjoyed the experience.

See you on the floor sometime.... Jan
